I would like to thank all the parents that were able to come to our annual ‘Meet the Teacher’ evening last week. A positive relationship between school and home is very important to us and we value your participation in school events.

There is another opportunity for you to take part in our school with the P&C Annual General Meeting taking place tomorrow (Thursday, 7th March at 9am) in the hall. We hope to see lots of parents at this meeting.

On Monday all students would have received their photo envelopes. Our school’s Photo Day is Monday, 18th March. The correct money should be returned in the photo envelope provided to your child’s class teacher. It is not possible to give change as all money received is given directly to the photographers. Money for photos will be accepted on the day. Can you please ensure that your child is dressed in their summer school uniform for the Photo Day? We will send a reminder note home the week before.

Congratulations to students who represented our school at the Zone Swimming Carnival yesterday. Our students were well behaved and did their best. Some outstanding swimmers will go on to represent Lansdowne Zone at the Regional Carnival in Week 8. Well done and thank you to the parents who went along to support our school team.

Please take some time to read the new ‘FAIR’ rules in this newsletter. These rules are in simple, positive language to assist our students to understand and follow. Your child will be having some lessons about these rules in class and are part of our school’s commitment to the Positive Behavioural and Interventions Supports (PBIS) program. We will hold a Parent Forum about the new rules at a later date this term.
