Principal’s Message
Saturday 24th & 31st May Staff Development Days
I sincerely wish to pass on my thanks to all our staff who attended the last two Saturdays at Liverpool Catholic Club to attend our Literacy and Numeracy training, CPR training and last week completing Franklyn Covey’s, “The 7 Habits of highly effective people”. Having these workshops at this time of the year allows implementation in classrooms now rather than waiting over the Christmas period for school to resume.

SWS Dance Festival
I had the pleasure to watch our Dazzlers Dance Group perform at the Regional Dance Festival today. They were fantastic. Congratulations! It’s not a competition but many hours of planning and preparation goes into each performance to showcase talented dancers across the region. Thank you to Miss Laughlin and Ms Vartuli for their effort and giving this great opportunity to our students.

School App
A new school App is being reviewed to allow the school to send out notifications to all our parents including newsletters. It is currently being designed and hopefully will be ready sometime during term 3. A parent launch will be held in the school hall once the App is completed. This should be an exciting development for parents with smart phones.

Mental Maths strategies
We teach children a range of different strategies to add and subtract numbers. By showing them several methods for solving maths questions, we’re helping them to look for patterns. All this builds a good sense of “number” which means they understand the relationships between different numbers and why different ways to add and subtract work well. The goal is that your child will understand many ways to approach a maths problem and will be able to choose a way that makes the most sense to them. School A to Z has a lot of resources, including help sheets on mental maths strategies, here: www.bit.ly/JkiUsY

ZONE CROSS COUNTRY
On Tuesday 20th May, 76 students attended the Zone Cross Country Carnival at Adams Park, Canley Vale. The day was a success with many of our runners qualifying for the upcoming Regional Carnival. All students did well and should be commended for their fantastic efforts. The students were all enthusiastic and showed great sportsmanship, which was great to see. The students enjoyed their day immensely and did a great job representing our school. We left the carnival with the great result that Fairvale Public School won! Congratulations to all students who participated.

PAYING MONEY AT THE OFFICE
Could all parents/guardians ensure that they have the correct money to pay for school activities and lunch orders. Neither the school office nor the canteen has change in the morning. If you don’t have the correct money, please stop off at the petrol station or local shop on your way to school.

Thank you for your co-operation with this matter.

SPORTS REPORT
On Friday 24<sup>th</sup> May the Boys Touch Football team played in the Lansdowne Zone PSSA Grand Final. The boys demonstrated outstanding sportsmanship and it was a pleasure to be their coach this season. Unfortunately we lost the game by a very tight margin of 6-5. Chris and Jo Jo played an outstanding game on the wing. Jack also played a great game scoring some tries in the middle. Kalvin and Richard once again were our speedy players and set up some amazing play for their team mates. Well done boys!

This year we have introduced an app for our weekly PSSA draw and results. The link to the app is on the school website and is available on both iPhones and Android phones. Parents, staff and students are welcome to download the app for Winter season 1. To install, visit this page (http://my.yapp.us/FVPSSSPORT) on your mobile device. The sports that are being played this season are Basketball, Newcombeball, Rugby League and Oztag.
We wish the team luck for the season ahead.
